Help Lift the Lockdown Let England Live!

**Sign and Share The National Petition
against the Lockdown, Roger!**

Boris and the traitor Tories ruined our Christmas. The citizens of London are imprisoned in our capital.

The Police are **arresting** those trying to leave...and now the government is now openly admitting the **Draconian** Lockdown will be in place until Easter!

Our tyrannical leaders are literally laughing at us as they flout the laws they expect hard working English people to follow.

Lift the Lockdown now!

Countless people have had their **life-saving operations cancelled**, condemning them to almost certain **death** and millions of Englishmen and women are set to lose their jobs, businesses and homes.

Have we not suffered enough? Our economy is in ruins. Our children and grand children will be paying off **Billions** of government debt for decades to come.

This is the beginning of the new resistance!

Sign and share our National petition against Boris' draconian Lockdown to all your friends and family. It is time Englishmen and women defy our rulers and say: No More Lockdowns!

SIGN THE PETITION

We want our lives and our freedoms back!

Yours sincerely
