BORIS BREXIT (if only)

MORE LIES FROM BORIS. There is the non Sovereign Defence, Security and PESCO arrangements still in place as envisaged by BROCKLEBANK in the Kit Kat papers. There is the break up of the UK with the loss of NI still to remain in the EU customs union. Now we also have further secret give-aways of our rich fishing grounds and still only a very few protection vessels including ex BP North Sea rubber vessels.
