Dear Steve Baker

Thank you once again for standing up.

The madness of Crowds in Parliament and in this disintegrating **once** united Kingdom will take us into violent areas but where no one seeks to go. But, as Craig Murray says, all the minority intolerant antagonisms towards those who seek a peaceful way but will not be browbeaten if free speech and free assembly is shut down.[p8]. It is all becoming totally destabilising and made worse by a dim PM [Lord Sumption as the pM is lazy and inattentive to detail. We all agree with that.

Your performances are crammed with details...[see those under the previous disastrous PM] but above all please lead the defence for our economy and for integrity and get the deaf MP's to listen to those who know and have no axes to grind and yet are competent, rather than WITLESS and UNBALANCED.

When will you lead a third way, REFORM, RECLAIM or BAKERISM? May I recommend my new website below <http://briefingsforfreedom.co.uk/> and my old website <http://concordanceout.eu/>
