Dear Cheryl

I am sorry that you have so little trust in us and in our common sense but yet you trust those who seek to control us yet have no common sense. We have no trust in this Parliament or in Boris.

Boris has failed with great success and we fear now that he is carrying out his secret betrayal which has already commenced with the EU closer and closer rapport on UK Defence, Security and PESCO.

Please stand up for the Truth, FREEDOM, Common Sense and UK Sovereignty.

VACCINES AND NUREMBERG

Please read below.

Please reconsider where you put your support whilst you are an MP. Change is blowing in again.

Yours Sincerely

Roger
Wright-Morris.

Just as Big Pharma, politicians and Lockdown activists lobby governments for mass roll out of Covid-19 vaccines around the world, there should be issued a reminder to them (all including doctors, nurses, the police and armed forces) that forced vaccinations on individuals without the individual's "informed consent" or to use force, mandatory, coercive methods for vaccines on individuals is a violation of the Nuremberg Code.

Anyone forcing vaccines on individuals could and should face criminal charges. Boris Hancock Vallance and all of Sage first of course followed by the MPs who vote for this illegal diktat. (there is no law that empowers Boris to Lockdown the healthy.....listen to Lord Sumption)

Just as in the Nuremberg trials of Nazis after WWII, the pleas that "I was just following orders" (Nuremberg Defence) is not an acceptable plea or an acceptable defence in a court of Law.

Simon Blanchard

WARNING FOR POLICE **Re: COVID-19**

Any officer that enforces laws in relation to Vaccines, may be looking at serious **war crime** charges Re: Human Rights Violations.

Vaccines are in direct violation of The Nuremberg Code

Forced, coerced, and mandated vaccination are in violation of these principals.

A VIOLATION OF ARTICLE 6 OF THE UNESCO 2005 STATEMENT ON BIOETHICS AND HUMAN RIGHTS

Article 6, section 1:

Any preventive, diagnostic and therapeutic medical intervention is only to be carried out with the prior, free and informed consent of the person concerned, based on adequate information. The consent should, where appropriate, be express and may be withdrawn by the person concerned at any time and for any reason **WITHOUT DISADVANTAGE** or prejudice. (caps mine)

Article 6, section 3:

In no case should a collective community agreement or the consent of a community leader or other authority substitute for an individual's informed consent.
